

We are pleased to announce our newest addition...

ALLYHEALTH TELEMEDICINE!

We understand that rising healthcare costs are the top concern for business owners and administrators. Telemedicine is one of the best tools available to combat rising healthcare costs. AllyHealth telemedicine provides 24/7/365 on-demand access to affordable, quality healthcare. Anytime. Anywhere.

- *Reduce Claims* against the company health benefits policy.
- *Avoid Unnecessary and Costly visits* to the doctor for minor cute conditions.
- *SAVE MONEY* by avoiding the ER and Urgent Care for routine illness.
- AllyHealth has a *ZERO cost per consult*. Compared to an ER visit, this can save self-funded employers anywhere from \$1,200 to \$1,500 per incident.
- *Reduce lost hours* and reduce productivity losses caused by employees leaving work to go to the doctor.
- *Quarterly Reporting* to show return on usage ad return on investment.
- *Membership includes employee and all legal dependents.*
